Freedom of Information Policy

This is the **Choose an item.** Publication Scheme on information available under the Freedom of Information Act 2000. The governing body is responsible for maintenance of this scheme.

1) Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish
- Whether the information is available free of charge or on payment
- The manner in which the information will be published

The scheme covers information already published and information which is to be published in the future. Some information which we hold may not be made public, for example personal information.

2) Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. The classes of information that we undertake to make available are organised into four broad topic areas:

- School Prospectus - information published in the school prospectus
- Governors' Documents - information published in the School Profile and in other governing body documents
- Curriculum - information about policies that relate to pupils and the school curriculum
- School Policies and other information related to the school (i.e. Academy Handbook) - information about policies that relate to the school in general

3) How to request information

If you require a paper version of any of the documents within the scheme, please contact the Academy by telephone, email, fax or letter. Contact details are set out below or you can visit our website at Choose an item..

Email: xxxxxx

Telephone: xxxxxx

Contact Address: xxxxxx

To help us process your request quickly, please clearly mark any correspondence **“PUBLICATION SCHEME REQUEST”** (in CAPITALS)

If the information you are looking for is not available via the scheme and is not on our website, you can still contact the academy to ask if we have it.

4) Paying for information

Information published on our website is free, although you may incur costs from your internet service provider. If you do not have the internet, you can access our website through free Wi-Fi in public areas or a public library. Single copies of information covered by this publication are provided free unless stated otherwise.
