1st February 2019 - Newsletter 19

Dear Parents/Carers,

We are already half way through an extremely cold first half term of 2019. The term has so far been a fun-filled one, with topic WOW days, swimming, gymnastics and a snowball fight on the school field. We are also busy planning lots of exciting things ready for next term so please see our diary reminders to keep up to date. The school would like to take this opportunity to thank parents and carers for your continued support.

School Values

This week, we have been considering the importance of **friendship**. Mrs Hewitt delivered an assembly on what makes a good friend and how we can ensure that we are good friends – by being kind, helpful, honest and good listeners. During the assembly the children created an acrostic poem about friendships at Woodcroft. The children then spent some time during the week to complete friendship activities (see picture below) The children at Woodcroft persistently excel in this value – keep being a great friend and making people smile ☺.
